EDUCATION

University of Illinois at Urbana-Champaign

Expected Dec 2027

Bachelor of Science in Computer Science

GPA: 3.95/4.00

- Dean's List recipient Fall 2024 – Spring 2026
- Distinguished Active Member of Tau Beta Phi Engineering Honors Society
- **Relevant Coursework:** The Art of Web Programming, Database Systems, Applied Machine Learning

TECHNICAL SKILLS AND RELEVANT COURSEWORK

Programming Languages: C#, C++, C, HTML, CSS, Python, SQL, Java, JavaScript

Other Relevant Technologies: Git/GitHub, Figma, Blazor, Bootstrap, React, Agile

PROJECT EXPERIENCE

Phonetiquette (React, Flask, CSS, Python)

March 2026

- Developed an International Phonetic Alphabet (IPA) chart learning site with my team, creating a useful tool for linguists or those looking to improve their accent or phonetic knowledge.
- Designed and implemented an intuitive user interface in React and CSS, along with a Flask/Python backend.
- Presented our final project after 36 hours at the annual Hack Illinois Hackathon at the University of Illinois Urbana-Champaign (UIUC).

Sumi (React, Flask, CSS, Python, Hugging Face)

October 2025

- Collaborated to create an AI-powered program to translate and summarize complex documents, improving accessibility for English learners by generating documents in up to 5 languages.
- Designed and implemented an intuitive user interface in React, integrated with a Flask backend and Hugging Face models for seamless AI functionality.
- Delivered the complete solution within 24 hours at the annual Code Ada Hackathon at the University of Illinois Urbana-Champaign (UIUC).

WORK EXPERIENCE

Application Development Intern

May 2026 - August 2026

Morton Buildings

Morton, IL

- Developed internal web application features across both frontend and backend components.
- Collaborated with technology team members to design and implement features based on internal business requirements.
- Worked with C#, Blazor, Figma, and Bootstrap to build and refine functionality for internal users.
- Presented to the executive team about the intern projects I completed during the summer.

EXTRACURRICULAR AND LEADERSHIP EXPERIENCE

Phi Sigma Rho

December 2025 - Present

Vice President of Standards

Urbana-Champaign, IL

- Enforced organizational bylaws and initiated appropriate disciplinary actions when violations occurred.
- Managed the Standards Board while supervising and supporting additional leadership roles within the sorority.
- Advised and collaborated closely with the President, serving as a key leadership partner in decision-making.

Girls Who Code

August 2026 - Present

Club Lead

Urbana-Champaign, IL

- Organized weekly meetings and developed coding curriculum for middle school students.
- Taught programming concepts through hands-on coding projects and activities.
- Promoted the organization through flyers, email outreach, and other recruitment efforts.
